Hi Captain,

Hope this finds you well. We've been contacted by our team that is working on the Olympic bid regarding some preliminary information they need for upcoming deliverables for the proposal.

Commander Malinowski informed us that you're the lucky one that can assist with gathering some of this information.

Attaching the initial questions we have received here. What is in yellow is what we need some input from PD on (questions #66 and 76).

Wondering if you have a few moments sometime tomorrow for a quick phone call to discuss?

If you can let me know when you can, or just give me a ring on my cell at your convenience that would be wonderful.

Best,

Thalia

Hi Jim, Anna, and Chief Little,

Hope this finds you well. I know Neeraj may have mentioned we've been contacted by our team that is working on the Olympic bid regarding some preliminary information they need for upcoming deliverables for the proposal, some of which are public safety related.

We are hoping you can assist us in answering some of these initial questions (attaching what we have received here).

We've spoken to Captain Fontanetta on the PD side for questions #66 and 76, these will require LAFD input as well. There are also Questions #62-65 regarding medical services and emergency response, which we are hoping perhaps EMD can assist us with, as you have the public health connection.

Wondering if you can take a look and let us know if you have any time perhaps on Monday for a quick phone call to discuss.

If you can let us know when you can, that would be wonderful.

Best,

Neeraj & Thalia

Sean,

The LA24 team would like to meet with LAPD to start drilling down on security issues related to the bid.

You OK to meet?

Should it be you or others at LAPD?

Thanks.

On Olympics, happy to meet with whomever you believe appropriate. And do you want LAPD only -- or would you like to bring Secret Service into this meeting. Homeland Security already has stated that this will be designated a National Security event.

Up to you whether it's LAPD - LA24 only or LAPD/Secret Service - LA 24.

Let me know at convenience and we will start the scheduling dance.

With the Commander's OK, we will put this off for a few weeks -- even though I started the meeting request.

Doug Arnot, LA24's director of operations -- who will be coordinating security -- already relocated to Rio for the 2016 Games. It is likely that he will stay down then until the Games are concluded.

With Sean's OK, I will follow up with him to reschedule as soon as Doug returns.

All,

Thank you for being a part of this effort. As previously mentioned, the City is bidding on the 2024 Olympic Games, and part of that bid is a very high-level security presentation to the IOC in April. Following our first meeting in December, we'd like to begin the planning process for that presentation.

We will have the first meeting on January 17 @ 1300 here at City Hall, with two additional meetings around February 21-24 and March 20-24 as needed.

We will develop a more detailed agenda, but we are hoping to use the first meeting to discuss the following:

1. LA 2024's description of the security content the IOC would like to hear during the Evaluation Commission, and figuring out how much of it we can accurately claim is already true of Los Angeles.
2. Understanding clear roles and responsibilities of the partner agencies, particularly among the local / regional agencies.
3. Walking through lessons learned from recent NSSEs.

Attached you will find the contact information of those who will assist in this effort. Please feel free to bring additional personnel as needed.

Thanks.

Hi Ilene and Lt.,

We'd like to invite Chief Moore to participate in the next meeting of the LA 2028 Olympics Public Safety Working Group members.

Chief Beck participated in the first meeting of this group some months back, and indicated at that time that he would join the new Chief for the final meeting before his departure.

Additional details below:

**Date:**

Monday, June 25

**Time:**

1400 - 1530

**Location:**

City Hall

Mayor's Press Conference Room (3rd Floor)

**Description:**

To date the PSWG is a collection of the Executive leadership of the police departments of those jurisdictions with key venues for the Games, as well as colleagues from the FBI, USSS and DHS. As the games are ten years away, the meetings will take place on a quarterly basis to keep everyone informed on everyone abreast of plans for the Games, and our general progress with developments for the eventual security planning.

Additional details are attached as an FYI for Chief Moore.

If you can let us know if he's available, that would be wonderful.

Best,

Thalia

Hi Thalia, Neeraj,

Following up on today's conversation ---

1. We are focusing on five principals to join the EC visit:

**Chief Beck**

**SAC Savage**

**Sheriff McDonnell**

**FBI (TBD)** (Is Deidre Fike no longer in LA?)

**DHS-DC (TBD)** (LA24 working on this directly)

2. Can we ask these principals to hold the updated EC timing on their calendar?

**Wednesday, May 10, afternoon (exact timing TBD)**

**@ JW Marriott in DTLA**

3. Can we try and schedule a rehearsal with those principals on one of the following days?

**Tuesday, April 18**

**Wednesday, April 19**

**Friday, April 21**

As discussed today, we will have a scripted Q&A to walk through with them. We will bounce that document around with the group on this chain --- likely an in person meeting or call --- to make sure it's refined and reflects the proper assignments.

As always, appreciate your help assembling this group. Thanks!

MK

Manav.

We reached out to the principals (Beck, McDonnell, Fike, and Savage). Most are holding the dates, but need times to lock it down. Below is the status of each:

-Beck: Chief Beck is holding May 10, and April 19 works best for him for the rehearsal.

-McDonnell: Sheriff McDonnell is holding May 10, but his day is packed so timing is key. April 19 could work for the rehearsal. April 18 and 21 do not work.

-Fike: ADIC Fike is holding May 10. She is at HQ most of April, but can send a SAC to the rehearsal.

[REDACTED]

In addition to the above, Chief's Beck people will be briefing him soon. In addition to the materials already provided, is there any clarity regarding the content of the presentation?

Thanks. Happy to discuss further.

Thanks, Neeraj.

The current plan for 5/10 is that the full afternoon session (many topics including security) will run 130-500pm. We will likely only need a portion of that, and will release people as soon as security wraps up.

Just spoke to Doug, and a rehearsal on 4/19 would be great. We don't need to do all at once, particularly given that USSS is a ? at this point. If Beck & McDonnell are free then, we can knock those out. And find another time for ADC Fike.

Doug, can you confirm your 4/19 availability so we can lock down times with LAPD and LASD?

Thanks.

All

Thanks to everyone for your participation in the first LA 2028 Safety and Security Working Group meeting. We at LA 2028 truly appreciate your support.

As noted we value your time. So, we will try to keep meetings short and valuable. But please feel free at any time to call with questions or suggestions.

As suggested, for the next meeting we will add a few new members. The comments regarding the likely turnover between now and 2028 were very helpful, and a useful reminder that we will all have a continuing obligation to consider how we manage the transfer of knowledge as we welcome/lose members over the years.

We agreed we would aim to meet on a quarterly basis until such time as we see fit to increase the frequency. I am looking at the June calendar for the next meeting and for some regularity I am going to suggest the third Wednesday of the month (in this case June 20) at 0930 at City Hall.

Can everyone check calendars to see if that date works. As we get closer I will reach out for an proposed attendance list. For now the group from yesterdays meeting was
